Missing an event means missing the opportunity for an award. Three timers will be used per lane. The middle of the three times will be used. Times are official; there are no place picks.

Workers: Every team will be responsible for providing timers and watches. After receiving the entries from each team a coach will be contacted and told how many timers they will need to provide. You will need to provide the timers for the duration of the meet. If your timers would like to trade off during the day they need to make their own arrangements for this.

Warm up lanes: Coaches will be informed of assigned lanes and warm up times prior to the meet.

If you would like to bring up tents the night before please contact Angie.
